

# Starry Block of the Month

48" X 60"

## Fabric Requirements

The sample was done in 3 shades of blue (light, medium and dark) plus a background. The pattern will lend itself to just two fabrics or a multi-colored pallet. Border fabrics could be the same as star fabrics - just add the measurements together when planning.

Star Fabrics	3 yards total - could use one fabric or 3 different fabrics or lots and lots of scraps!
Background	3 yards
Inner 1" border	1/3 yard
Outer 5" border	1-1/4 yard
Applied band	machine applique: 1/3 yard hand applique: 1 yard for bias cuts

Amounts are generous in case you want to change your mind as to what goes where or just mess up a few times.

The Appliqued Block in the center of the quilt can be machine or hand appliqued. The outer appliqued "ribbon" can also be machine or hand done. The sample is all machine appliqued with fusible web.

### Additional stuff:

- Basic sewing supplies: pins, scissors, snips, seam ripper, rotary cutter and mat, rulers, pressing mat and iron, sewing machine, thread...
- 1/4" foot, zig-zag or embroidery foot for machine applique
- Fusible web for machine applique
- Marking pen or pencil
- buttons and beads, glitz and glamour for embellishing, if desired
